CARD OF THANKS

Teddy Davies wishes to than his many friends for kindnesses shown while in the hospital also for the beautiful flowers.

A field of Fall wheat to the south of town is showing a nice green tinge evidently it has survived the winter.

I've Laid Them Down Today Well: I am done! My nerves wer

on the rack.
I've laid them down to-day,
t was the last straw broke the cam

el's back;
I've laid that down to-day.
No. I'll not fume, nor fret, nor fuse

nor fight; I'll walk by faith a bit, and not by

sight. I think the universe will work all

right; I've laid it down to-day. The dread of sorrow I may have to

sup,
I'll lay that down to-day.
The dreumstance which rubbed me
wrong was up,
I'll lay that down to-day.
It will not matter in the age to

come Whether I sucked the stone or had

the plum,
But it will make a difference to

some
If I keep nice to-day.
Anon.

Builders And Wreckers

Glancing through a little trade magazine the other day the writer came across a short bit of verse entitled "Wreckers", which, in these days and times, is worthy of still wider circulation. So we reproduce it:

- I, is worthy of still wider circulation. So we reprint the state of th

- What builders have taken a year to do.

 I thought to myself as I went my way,
 Which of these roles have I tried to play?
 Am I a builder who works with care,
 Am I shapping my deeds to a well-made plan,
 Patiently doing the best I can?
 Or am I a wrecker, who walks the town,
 Content with the labor of tearing down?

All over the words of ourselves of teating down. All over the labor of teating down. All over the word of curs there are men and women carmetly string to built his world of curs there are men and women carmetly strings to built his world of the strings of National Strings in instarts, in business, statemen around the League of Nations council table, sitting in international conferences, or engaged in diplomatic negotiable of the strings of the strings

ame?
The popular thing to-day seems to be to destroy, to wreck. In some untries they are deliberately trying to destroy religion and no to revert deprive people of the district of through the suffering and blockled of at generations. The wreckers would in a day tear down the constructive rick of centuries.

work of centuries. wrecters would in a day tear down the constructive are the second of the second o

The builders are still building in the face of enormous difficulties and the opposition of the wrockers; the builders are striving to save civilization which the wreckers would destroy through revolution and bloodaded in order that the strip of the wrockers would destroy through revolution and bloodaded in order that the strip of the wrockers with the wrockers and the wrockers with the wrockers with the wrockers with the wrockers would can be the wrockers would not wrockers would not wrockers with the labor of tearing down.
